PROVIDER WHO WILL BE OVERSEEING BABY'S WELL-BABY CHECKS:

I have received and read the parent informational brochure which describes the newborn screening tests currently being performed in the state of Iowa. I understand that these disorders are easily detected by testing a blood sample from my baby's heel.

I have been informed and I understand that it is the law of the state of Iowa that all newborns shall be screened for these disorders.

I have been informed and I understand that this screening is done to detect these disorders because symptoms sometimes do not appear for several days, weeks or months.

I have been informed and understand that, if untreated, these conditions may cause permanent damage to my child, including intellectual disability (mental retardation), growth failure, and death.

I have discussed this screening with _____
(BIRTH CARE PROVIDER)

and I understand the risks to my child if this screening is not completed.

My decision is made freely and I accept the legal responsibility for the consequences of this decision.
